**ORDER VACATING ORDER TEMPORARILY AUTHORIZING THE CLERK OF  
THE BANKRUPTCY COURT FOR THE EASTERN DISTRICT OF WISCONSIN TO  
ACCEPT DOCUMENTS FOR FILING BY EMAIL FROM UNREPRESENTED  
DEBTORS**

---

On March 27, 2020, this court entered an order authorizing the Clerk of the Bankruptcy Court for the Eastern District of Wisconsin to accept documents for filing by email from unrepresented debtors. The temporary authorization was granted due to the public health concerns raised by COVID-19. The Clerk has since developed an electronic document submission system for use by unrepresented debtors.

It is therefore ORDERED as follows:

1. Effective February 13, 2023, the temporary authorization allowing the Clerk to accept documents for filing by email from unrepresented debtors is VACATED.
2. The Clerk is authorized to designate an electronic document submission system alternative to CM-ECF for use by unrepresented debtors.
3. The Clerk is directed to publish, on the court's website, procedures and requirements for using such system.

Dated: February 13, 2023
